

PROFESSIONAL CABLE COPPER CABLE

CQR are the leading U.K. Manufacturer of cable for Intrusion detection, Access Control and Fire Retardant applications. All our cables are manufactured at our specialist factory in the U.K. We offer a range of cables to meet the latest BS4737-3.30:2015 standard including the latest Low Smoke Zero Halogen.

The majority of the cost of an intruder detection system is in the installation rather than the equipment. Therefore it is vital that the highest quality cable is used to ensure the integrity and longevity of the system.
